Discipline Policy

New Life Christian Academy is honored to assist you in training your child for Christian leadership. It is our goal to develop the spiritual, moral, and academic qualities of your child to the fullest. In keeping with this goal, we believe it is necessary to follow scriptural admonitions to correct students when their conduct violates rules and procedures. When all other forms of discipline have been used and we feel the offense is warranting, we believe in administering corporal correction. If corporal correction is needed, it will be administered in love with a staff member present. Prayer will be offered concerning the problem, and a written record explaining the offense will be made and sent to you. The note you receive should be signed and returned to your child's teacher the next day. If your child refuses the correction (paddling) we prescribe, you will be contacted immediately to come to school to administer punishment. We believe that Godly discipline is an important part of developing strong moral character, and we have your child's best interest in mind when we address problems that your child may be having. Please sign #1, #2 or #3 below. **IMPORTANT- ONLY SIGN ONE**

1. I, _____, have read New Life Christian Academy's statement about corporal correction and agree to support the school without reservation and personally pledge my support to this scriptural approach to discipline.

2. I, _____, have read New Life Christian Academy's statement about corporal correction and do not want my child paddled by anyone other than myself or my spouse. I understand that if my child warrants a paddling that he/she will not be admitted back into his/her classroom and will wait in the front of the office until I can come and administer the paddling in the presence of a New Life Christian Academy staff member.

I understand that it is my child's responsibility to make up any work missed while he/she waits in the front office for me to come and administer his/her paddling.

I have read and understand the above statement and agree to its terms.

3. I, _____, have read New Life Christian Academy's statement about corporal correction and do not use corporal correction on my child, nor do I want anyone else administering any form of corporal correction to my child. I agree that if my child cannot abide by the rules and regulations of New Life Christian academy and the school feels he/she warrants a paddling, that my child will first receive a 3 day suspension without making up any work missed and will receive 0's on all of their missed tests and work. If suspension does not help correct the problem the school is having with my child, I understand that my child will be expelled from school for the remainder of the year.

I have read and understand the above statement and agree to its terms.

Statement of Cooperation

A strong program of education occurs when parent and school work together. Furthermore the Bible says that the primary responsibility for the education and training of children resides with the parent. The Christian school provides a place of education and training in a Godly atmosphere and supports the parents in the development of Christian character. The parents, by placing their child in a Christian school, do not remove themselves from the education process, they are really taking a more active part.

The following statement of cooperation explains some of the areas where parents become active partners with New Life Christian Academy in the education of their children. By reading and signing this statement, parents show they are in agreement with the goals and procedures of New Life Christian Academy and desire to take their part as partners with our school in the education process.

I/We realize that my attitude toward the teachers and policies of a Christian school affects the emotional and academic stability of my child. I will support and uphold the ideals of the school in every way and will abide by the discipline and regulations of the administration.

I/We will not participate in destructive criticism of the staff or the school to my child or others. If a problem arises, I will instead go in a Christian manner directly to the teacher first. If I fail to resolve the situation with the teacher, I will then go to the principal.

I/We see the importance of my/our commitment to the school as important in helping my child to be committed to the educational program.

I/We agree to attend the parent-teacher meetings when requested to discuss the student progress.

I/We agree that by enrolling our child(ren) in New Life Christian Academy that their photographs may be used on the NLCA website, in the year book and other possible forms of advertisement or media.

I/We understand that should legal action, for any reason, be taken against New Life Christian Academy or any employee or agent thereof, on my child's behalf, and the Academy or its agent not be found at fault, I agree to pay any attorney fees, court fees, damages, or other costs that New Life or its agents should incur to defend itself against such action.

I/We agree to read the parent/student handbook and follow the guidelines set forth therein.

My/Our signature below indicate my/our acceptance and agreement with the above statement.
